MAY 17 1983

The Honorable William J. Casey Director of Central Intelligence Central Intelligence Agency Washington, D.C. 20505

Dear Director Casey: Bill

On May 3, 1983 I presented to President Reagan, Vice President Bush, and the Cabinet Council on Human Resources the Fiscal Year 1982 Annual Federal Performance Report on Executive Agency Actions to Assist Historically Black Colleges and Universities. A copy of that report is enclosed.

The Federal government's obligations to historically Black institutions totalled \$564,458,319 in FY 1982. This figure represents an increase in funding of \$19 million, or 3.6%, over 1981. It also represents significant success of the Executive Order President Reagan issued on September 15, 1981 committing this Administration to strengthening HBCUs.

I have enclosed a copy of the White House Fact Sheet which your Public Affairs staff may find useful should you wish to speak about our Administration's efforts on behalf of historically Black colleges and universities. I appreciate your support of the Executive Order and look forward to working with you on this initiative in the future.

Sincerely,

T. H. Bell
